DIGITAL LANDSCAPE ARCHITECTURE
DLA 2024

EARLY CALL FOR PAPERS and POSTERS
25th International Conference on Information Technologies in Landscape Architecture

The 25th annual International Conference on Information Technology in Landscape Architecture, Digital Landscape Architecture DLA 2024, will be held at Vienna University of Technology, Austria. We invite you to contribute to this conference on all aspects of technologies in landscape architecture.

"Extended Abstract" should have a minimum of 1200 and maximum of 2000 words including key references. The extended abstract needs to show the progress and the uniqueness of the study in some area of Digital Landscape Architecture.

Submit the abstract as a pdf file online via the web-based submission system at:

www.dla-conference.com > Review System by November 1, 2023

Accepted abstracts are invited to be submitted as a full paper for a second fully blind peer review. Accepted papers will be published as fully blind peer-reviewed papers in **Journal of Digital Landscape Architecture 9-2024** by Wichmann, Berlin · Offenbach: www.JoDLA.info.

Main Theme and Suggested Topics:

For the 25th Digital Landscape Architecture Conference, the Editors and the Editorial Board of the Journal of Digital Landscape Architecture cordially invite you to submit abstracts for original, unpublished presentations focusing on the conference's main theme:

New Trajectories in Computational Urban Landscapes and Ecology

Abstracts are encouraged for this theme or from one of these other areas:

1) Digital Approaches to Participation and Co-creation in Urban Landscapes
2) Digital Responses to Nature-based and Nature-integrated Solutions
3) Data-driven Design for Integrating Ecology and Architecture
4) Ecological Modelling and Simulation and Digital Landscape Architecture
5) Modelling our New Energy Landscapes
6) Decision Support for Social-Ecological Systems
7) Sensorics and Responsive Urban Landscapes
8) Resilient Urban Landscapes, Global Change and Hazard Response
9) UAV Imagery and Remote Sensing in Landscape Architecture
10) Geodesign Approaches, Technologies, and Case Studies
11) Algorithmic Design and Analysis of Urban Landscapes
12) Landscape and Building Information Modeling (LIM + BIM)
13) Visualization, Animation and Mixed Reality Landscapes (VR, AR)
14) Teaching Digital Landscape Architecture

Journal of Digital Landscape Architecture · 9-2024

Important dates for the review process are:

Abstracts due:	**November 1, 2023**
Notification of acceptance:	December 1, 2023
Full manuscript draft due:	January 10, 2024
Revised manuscript due	February 24, 2024
Conference:	June 5 – 7, 2024
Opening of Call for Posters	February 1, 2024

Keynote speakers will be announced in November 2023.

The conference language is English. The DLA con 2024 will be held at
Vienna University of Technology, Austria.

We are seeking partnerships with Vienna-based institutions, professional associations and leading vendors.

Profile

The Journal of Digital Landscape Architecture addresses all aspects of digital technologies, applications, information, and knowledge pertaining to landscape architecture research, education, practice and related fields. The journal publishes original papers in English that address theoretical and practical issues, innovative developments, methods, applications, findings, and case studies that are drawn primarily from work presented at the annual international DLA-Con Digital Landscape Architecture Conference. Its intent is to encourage the broad dissemination of these ideas, innovations, and practices. The Journal of Digital Landscape Architecture is listed in the international citation database Scopus. It is in the top 35% of all journals in the engineering / architecture category. JoDLA is listed in DOAJ (Directory of Open Access Journals).

The author's fee for the publication is currently 400 Euros for the standard 8 pages of print with the option of publishing extra pages at 50 Euros per additional page. With this contribution towards the publishing cost you also receive an author's copy. For the author's team, additional books at a reduced price are available. The author's publication fee includes the author's hard copy and the open access publication at www.jodla.info.
